📄 ABOUT ME

I'm Mostafa Mahmoud, I'm a computer science student and problem solver, competitive and creative programmer with a passion for learning and experiencing new things, Detail-oriented, organized, I interested in Web development and especially Backend development. Attended Faculty of Computer science and Information, Zagazig University.

📁 PROFESSIONAL EXPERIENCE

ICPC Zagazig University Community 📄

10/2024 – 12/2024
Zagazig, Sharqia

Trainee

- I solved programming problems in a different topics Participated in training sessions to enhance problem-solving and competitive programming skillsI have successfully completed level 1 in several topics

01/2025 – present
Zagazig, Sharqia

Technical Team member

- I'm a technical member of the ICPC Zagazig University Community, where I help with organizing technical events and workshops, and support anything related to programming and tech setup. I enjoy teamwork and always look for ways to improve my skills. Being part of the ICPC Zagazig University Community has been a great opportunity to learn and share knowledge with others.

11/2024 – present
Zagazig, Sharqia

IEEE CS Zagazig Student Chapter 📄

Back-End member

- I'm a back-end member in the IEEE Computer Society Student Chapter. I mainly work on building and maintaining the server-side of our projects, making sure everything runs smoothly behind the scenes. I enjoy solving problems, working with databases, and making sure our systems are efficient and reliable. Being part of IEEE CS Student Chapter has helped me grow technically and work with an amazing team.

04/2025 – present
Zagazig, Sharqia

GDG On-Campus Zagazig 📄

Front-End member

- I'm a Front-End member in GDG On-Campus Zagazig. I mainly focus on designing and developing user-friendly and responsive web interfaces, making sure users have a smooth and engaging experience. I enjoy bringing ideas to life with clean design, working closely with the team, and exploring new front-end technologies. Being part of GDG On-Campus has helped me improve my technical skills and collaborate with passionate people in the community.

07/2025 – 09/2025
Zagazig, Sharqia

ITI - Information Technology Institute (Zagazig) 📄

Web Development using .Net trainee

- Topics Covered (120 H) :
 - DB Fundamentals using SQL Server (24 H)
 - Introduction to C# (42 H) - Entity Framework (18 H) - ASP.NET MVC (36 H)
- Key Skills Acquired :
 - Designing and managing SQL Server databases.
 - Writing backend logic using C#.
 - Implementing data access layers with Entity Framework.
 - Building dynamic web applications using ASP.NET MVC architecture.

SKILLS

Problem Solving

Competitive Programming

C++

Python

OOP with C++

Data Structures & Algorithms with C++

HTML

CSS

JavaScript

PHP

C#

PHP Laravel

.NET Framework

Express

MVC

MySQL

MongoDB

Microsoft SQL Server

Git & GitHub

Node.js

Tailwind CSS

Microsoft Office

Teamwork & Mentoring

PROJECTS

Hogwarts for programming

IEEE Back End Project with Native PHP and MVC

Contacts-Book

FCI University level 2 first project with Data structures with C++

Quran-Kareem

FCI University level 2 second project with Data structures with C++

Small Projects with C++

Higher Calculator , Timer , XO game , Guessing the number

Balloon-Game

Computer Graphics and Design with Java

E-Commerce-Platform

IEEE Back End Project with Laravel Framework

EDUCATION

10/2022 – 07/2023

Zagazig, Sharqia

Ahmed orapy Military High School

Grade: 86.1% / Student

10/2024 – present

Zagazig, Sharqia

Zagazig University

Level 3 / GPA 3.6 / Faculty of Computer Science and Information
